mahua\_bagrodia@rediffmail.com

The session on Nano technology was very interesting and informative. More biological topics can be taken in future for the webinars. Thank you.

B P SHARMA

9891559547

sbipin92@gmail.com

Excellent and very useful Lecture on Nano Technology. Thanks a lot to DSSTF and Dr S V Sharma, Principal, RIE, Ajmer.

AJAY KUMAR

9818580510

ajaykumar\_grl@rediffmail.com

Wonderful session. A difficult topic explained in a very interesting and easy way. Many mind blowing facts have been shared on buckyball like tensile strength and density as compared to steel and diamond. Thank you.

MANOJ KUMAR SURELA

9887962047

surelamanoj@gmail.com

It was a very informative and wonderful session. Thanks to all team members..

DILPREET KAUR

9871288806

preetdk2707@gmail.com

Wonderful Session for updating our knowledge in the field of Science and Technology.

Dr ANITA ARORA

09873462975

anita.arora1977@gmail.com

Very informative session.

KAJAL SETHI

9958617767

kajalsethi@dpsrkp.net

Wonderful explanation and extremely informative session.

GURBIR KAUR

9958188655

gurbirkaur71@yahoo.com

Very informative session, got to know so much about Nanotechnology. Looking forward to more enlightening sessions.

1.The deliberation by DR. S. V. SHARMA was highly praiseworthy, may be beyond comprehension of some listeners. When I did M. Sc., NT was far away.

---

I tried to educate myself occasionally and I am thankful to Prof. Sharma.

2. The Technical Team comprising of Mr. David, Ms. Yogita, Ms. Rajinder & others played their roles perfectly.

3. Ms. Pragya, Mr. RP Singh, Dr. Anil , Mr. Vashisth etc. deserve congrats.

4. The Old-Timers of DSSTF are facing their own problems. Nevertheless, I find Mr. Varshney and Mr. Kanhiya Lal are always available.

R P SINGH

tevatia\_rpsingh@yahoo.co.in

Lecture delivered by Dr S.V. Sharma, Principal, Regional Institute of Education, NCERT, Ajmer was excellent. Bucky ball, applications of Nanotechnology in the field of medical, engineering and agriculture were very interesting topics.  
Thanks & regards
