## RESULT OF SCIENCE OPEN MERIT TEST – 2024 ( Organized by D S S T F on December 08 , 2024 )

**Ref. : SOMT / RESULT / 2025**

**Dated : 12 – 01 - 2025**

Dear Principal / Vice Principal,

The result of 31<sup>st</sup> Science Open Merit Test (SOMT – 2024) is in your hand. The test was held on the 08<sup>th</sup> of December 2024 at 40 centers all over Delhi and N C R. This test was started in the year 1993 by Delhi State Science Teachers' Forum, which is an Academic Voluntary Organization. The objective of this test was to prepare, motivate and measure the students in science subjects for the forthcoming CBSE Examination as well as to develop competitive skill among them. We feel very happy and encouraged that this year about 9,500 students (having secured 45% and above marks in IX class) from about 350 Private Unaided, Govt. Aided, NDMC, Kendriya Vidyalaya and Govt. schools enrolled for SOMT – 2024.

The test answer sheets (OMR) were evaluated by OMR evaluating machine of a private agency selected and supervised by DSSTF. All care has been taken in compiling and finalizing the result. All those students who have secured 114 and above marks (out of maximum 150) have been placed in the Merit list. They will be given certificates of merit and a badge each as token of meritorious candidature. Like previous years, Seven Top Position holders of SOMT 2024 will be given a scholarship of Rs. 10000/= each per year for two consecutive years provided they pursue Science Stream at +2 stage. One Girl topper from Govt./Aided/NDMC/KV schools will also be given Merit Award of Rs. 10000/-. Top Ten position holders among them will be presented cash prizes and mementoes, as announced earlier. Appreciation certificates will also be given to 10% toppers of total appearing students from every school. Due remuneration has been given to the examiners, invigilators, center supdts. etc. who rendered their valuable services, co-operation and guidance to conduct the test successfully.

We express our sincere thanks to the Principals, teachers, parents and students for their whole hearted co-operation and encouragement, as a result of which, SOMT has attained credibility and popularity in just thirty one years. Suggestions for further improvement are always welcome.

We look forward for greater support and co-operation from you, for future also.

PRAGYA KIRAN  
General Secretary

S K SARASWAT  
President
